

Hello,

I am a neighbor of yours and I am a member of the local Tea Party. The Tea Parties core values are Fiscal Responsibility, Limited Government, Free Market, and a Strong National Defense. Many Tea Party members are concerned citizens that love their country. We have become actively involved in this election by attending meetings, candidate forums and have been following all the races closely within our state. We have recently endorsed J.D. Hayworth for U.S. Senate.

I can't stress enough how important it is for you to **VOTE** in this primary election.

J.D. Hayworth has been a supporter of our movement since the very beginning, and I believe that he is the only senate candidate that we can trust to make the right decisions for Arizona. He will work to cut wasteful spending and balance the budget without raising taxes. John McCain has spent millions trying to tell you different. We cannot let him **BUY** this election.

Sheriff Joe Arpaio has also endorsed J.D. Hayworth to help him secure our borders. You can learn more at **www.JDforSenate.com**

Honestly, I have never done anything like this before and have never been involved in politics. This is just too important right now for us not to have a Consistent Conservative Senator representing us in Washington. Not a Maverick.

The **problems** that we are facing right now have happened on **John McCain's watch**. It is "**time**" that we make a change.

Thank you for *your* time and consideration,

Arizona Tea Party Member
