

“Walk’n for J.D.” - Neighborhood Literature Distribution

PURPOSE- To distribute literature about J.D., tell them of the Tea Party support for him and to remind people how important it is for them to please vote in this election.

Our Battle Cry is

“If you don’t VOTE..... don’t COMPLAIN – But Vote FOR Hayworth and NOT McCain.”

TYPES OF WALKING YOUR NEIGHBORHOOD

There are two types of canvasses that are conducted: **Walk and Talk**, and **Literature Drop**

- We suggest a two person approach, if possible, with each person working opposite sides of the street within eyesight of each other. In rural areas, working as a team, one person could drive the car, with the other going to the door.

WALK AND TALK is an important tool especially the last week prior to an election. With your flyers in hand, proceed through your neighborhood to spread the truth about J.D. We suggest that you attach a personal short note to your brochures for both types. (Sample script below)

LITERATURE DROP is when the material or brochure is left on the door step, in a screen door, etc.

- Literature is not placed in or on a mailbox. - • Literature should be placed in a secure place.
- Do not walk on lawns. - • Obey any posted signs.
- Speak to everyone you see. - • Do not distribute literature after dark.
- Do not argue. Keep moving. - • Do not go inside the house.

SAMPLE SCRIPT (Or print and attach to brochure) – Sample two on a page at: <http://arizonamiracle.com/support.html>**

My name is _____. I am a neighbor of yours on ____ (street)____, and I am member of the local Tea Party.

The Tea Parties core values are Fiscal Responsibility, Limited Government, Free Market, and a Strong National Defense. Many Tea Party members are concerned citizens that love their country. We have become actively involved in this election by attending meetings, candidate forums and following all the races closely within our state.

I can’t stress enough how important it is for you to **VOTE** in this primary election. **J.D. Hayworth** has been a supporter of our movement since the very beginning, and I believe that he is the only candidate for U.S. Senate that we can trust to make the right decisions for Arizona. He will work to cut wasteful spending and balance the budget without raising taxes. Sheriff Joe Arpaio has also endorsed J.D. Hayworth to help him secure our borders. You can learn more at www.JDforSenate.com

The problems that we are facing right now have happened on John McCain’s watch. We need a conservative not a Maverick.

Just in case you haven’t had the time to get involved, along with my request for you to support J.D. Hayworth, I am providing you a list of solid, conservative recommendations in other races; that also deserve your consideration to support. *** (Here you could add your Congressional District Choice, Attorney General, and in *Maricopa, County Attorney.)*

Thank you for your time,

Joe Patriot
